I see two major priorities for CAUT in the next two years.

The second issue is addressing the imposition of management rights both inside and outside our collective agreements and fending off concessionary employer demands on a number of aspects of academic staff work.

Dear Nominations Committee members,

I would once again like to nominate Terri Van Steinburg for the position of Chair, Collective Bargaining and Economic Benefits Committee. Terri has served as President of Kwantlen Faculty Association from 2002 to 2015, and Secretary-Treasurer of the Federation of Post-Secondary Educators of BC since August 2015. Terri has been on many bargaining teams, both local and provincial in BC, and she has been a member of CEBEC for several years, serving as chair for the last year.

Most of Terri's professional life has been involved with unions in some capacity, either on the local, provincial or national scene: she is currently President of the National Union of the Canadian Association of University Teachers.

Terri brings a wealth of experience with her in leading FPSE's 10,000 members. Our Federation's diversity in representing members at colleges and teaching universities, an aboriginal institute and research university gives her a breadth of knowledge in the post-secondary education sector.

I'm pleased to nominate Terri, who will continue to serve CAUT extremely well.

In solidarity,
