

Member Resolution

CAUT Council Meeting, May 2019

Climate Change

VICTORIA/CUFA-BC:

WHEREAS it is clear that the climate change crisis is becoming the crisis of our generation, with potential and actual ecological devastation threatening human and non-human safety and security worldwide.

BE IT RESOLVED THAT CAUT supports the declaration of a climate emergency as the representative organization of Canadian colleges and universities faculty associations.

BE IT RESOLVED THAT CAUT will pursue dialogue with all political parties in its lobbying efforts on the topic of strong, immediate and effective action on climate change.

BE IT RESOLVED THAT CAUT conduct a comprehensive audit of practices, particularly Council frequency and location or other activities involving travel, and report back to council in Fall 2019 with a ranked list of steps that we could take to reduce GHG burden of our activities.
